ORDERING GUIDE

Dilly
LETTER JACKETS

Congratulations

You have qualified to own a Letter Jacket!
Read the information below to find out how to order your jacket.

You Lettered!

What is included with my jacket? The letter jacket includes the award letter with the activity insert (baseball, band, FFA, etc) and your first initial and last name INSIDE the pocket. If your school pays for your jacket, you will be responsible for paying for any sleeve patches and back name patches. If your school does not pay for your jacket, you will be responsible for paying for the jacket as well as your patches.

How do I order patches? The best place to order your patches is at the order-taking session at your school. You can order them along with your jacket. This will ensure that all patches are already sewn on to your jacket when it arrives. If you want additional patches after the order-taking session, you can order them online at www.DillyLetterJackets.com. All online patch orders will be shipped separate from your jacket to your residence and you will be responsible for having them sewn on to your jacket.

Should I order all patches now? Yes, here's why:

- A. Your patches will already be sewn on your jacket when you receive it.
- B. Patches are sewn on before the jacket lining is sewn in, so you won't see stitch marks.
- C. As your Official School Supplier, all patches are manufactured with your school's official mascot and color scheme.

How do I select a jacket size? At your in-school order taking session, a trained Dilly Letter Jackets representative will assist you using sample jackets (XXS-6XL) to ensure a proper fit. You'll actually try these jackets on, so a measuring device will not be used.

Can I order my jacket over the phone? No, your order must be in writing.

How can I pay for my order? At the order taking session, we will take your payment.

- A. We accept cash, checks (no temporary checks), money order, Visa, MasterCard, Discover and American Express.
- B. PAY ONLINE- go to www.DillyLetterJackets.com, select your school, and then select the "I want to make a payment" option. Online payments must be made within 7 days of the order taking session at your school.
- C. MAIL PAYMENT- mail your check or money order in the envelope provided. Mailed payments need to be received in our office within 7 days of the order taking session at your school.

WE ACCEPT PAYMENT IN FULL ONLY!

What if I can't pay right now? You will have 7 days from the order taking session at your school to submit your payment in full to our office. If your school pays for your jacket and we have not received your payment within 7 days, your patches will be marked off of your order, and you will receive the jacket with the award letter only. If your school does not pay for your jacket, your order will be held in our office and will not be submitted to the manufacturer until we have received your full payment.

Can I order patches online? Of course! Go to www.DillyLetterJackets.com, select your school and order from there. Online patch orders will be shipped directly to your residence in 4 to 6 weeks. Online patch orders WILL NOT come with your jacket. Patches can be ordered anytime throughout your high school career and on.

How will I receive my jacket? Normal delivery time for letter jackets is 8 to 10 weeks. All jackets are shipped directly to your school and are distributed by your coach or sponsor.
